TRINITY Haven

Host Homes Program Participant Process

Youth/young adult requests application via website or through YouthLink referral	Trinity Haven Director of Programs reviews completed application	Initial Meeting between YYA/participant and TH Dir of Programs to go over program application and expectations	Participant reviews host portfolios and chooses host(s) they'd like to meet
Hosts review participants profile to see if they'd also like to meet them	Participant and host meet and have a facilitated conversation with staff to determine fit	If determined to be a good fit, participant visits host's home	Participant& hosts co-create housing agreement (expectations of visitors, curfew, meals, etc.) with staff support
Participant moves into Host Home	Participant meets with Youth Engagement Specialist weekly	Participant works toward goals as identified by participant	All personal goals of the youth have one overarching goal in mind: securing permanant housing they can sustain and afford on their own at the end of the program
Participant and hosts meet together with staff monthly to review housing agreement and expectations, updating as needed	Participant establishes permanent and sustainable housing and moves out	Participant has access to case management and support for up to 6 months
