

TRINITY
Homecoming

Fourth Annual

**Homecoming
Sponsorship Packet**

Located in Indianapolis, **Trinity Haven is Indiana's first and only housing program providing safe, affirming housing for LGBTQ+ youth experiencing housing instability.** We walk alongside these incredible young people as they learn important life skills, achieve their goals, and move confidently into a thriving future. We are an independent 501(c)(3) offering two housing programs: our **Transitional Living Program** is a 24-month program providing a welcoming congregate home, and our **Host Homes Program** is a six-month program providing short-term housing.

Trinity Haven is not a temporary solution to homelessness. We are a comprehensive intervention to disrupt the vicious cycle of homelessness for LGBTQ+ young people after familial and societal rejection.

OUR GOAL

Our goal is to help young people graduate from our programs into safe and stable permanent housing with improved life skills, a bigger social network, and the ability to thrive.

WHY IS TRINITY HAVEN NEEDED?

It is an incredibly difficult time to be LGBTQ+ in Indiana. Our legislature introduced and enacted a number of bills in 2023 impacting LGBTQ+ people including access to health care, book bans, "don't say gay" rules for schools, sports bans, and more. It is anticipated that 2024 will be even worse. This legislative onslaught paired with the 24 hour news cycle and social media has created a level of anxiety, fear, and sadness that is almost palpable.

This climate has **increased the level of danger and uncertainty for many LGBTQ+ young people still living at home** with their families of origin. One of the most common reasons that young report running away from their home or being forced to leave their home is being LGBTQ+ and the rates are staggering: **80% of LGBTQ+ young people without a place to stay have been forced out by their parents** or are fleeing mistreatment.

Resources for LGBTQ+ young people generally are scarce in Indiana, but housing resources for LGBTQ+ young people who are homeless are nearly non-existent. **At Trinity Haven, they have a home and are surrounded by people who celebrate who they are and where they are going.**

WHY WE NEED YOUR HELP

We are a young organization representing a wholly new approach to serving a very vulnerable population for long-term change. **Your investment in Trinity Haven is an investment in the future of LGBTQ+ young people in Indiana.**

WHY SPONSOR TRINITY HAVEN'S HOMECOMING BASH?

Sponsors help drive community change. At Trinity Haven, that means a lot – especially now.

Trinity Haven is Indiana's first and only housing program dedicated to serving LGBTQ+ young people who are homeless. Our staff provides a safe, affirming place and collaborates with these young people to help them learn the life skills they need to work toward their personal goals and eventually live independently.

As a sponsor of our annual Homecoming Bash, your financial support helps us raise awareness about the crisis of LGBTQ+ homeless youth and ensure that we can provide support, safety, and community to LGBTQ+ for years to come.

But it's not all about us – we want to celebrate you too! Our 2023 sponsors garnered an average of 4,100 impressions on our event site and an additional 717 during the event itself. Sponsorship has incredible benefits designed to:

- Build brand awareness
- Increase visibility in the market
- Create networking opportunities
- Demonstrate organizational values and commitment to the local community

We need your help. Partner with Trinity Haven to ensure that no LGBTQ youth sleeps on a park bench ever again.
