

## 2025 Sponsorship Opportunities

*Sponsors help drive community change.  
At Trinity Haven, that means a lot—especially now.*

## 2025: WE CHOOSE JOY

It is an incredibly difficult time to be LGBTQ+ in our country and especially in Indiana—which increases the danger and uncertainty for many LGBTQ+ young people still living with their families of origin. One of the most common reasons that young people run away from their homes or are forced to leave is being LGBTQ+ and the rates are staggering: 80% of LGBTQ+ young people without a place to stay have been forced out by their parents or are fleeing mistreatment.

Anti-LGBTQ+ politics, legislation, social movements, and the 24-hour news cycle continue to create a prevailing sense of despair, sadness, and anxiety. We all feel it but we will not surrender to it.

*Caring for each other is a choice.  
Community is a choice.  
Allyship is a choice.*

In 2025, Trinity Haven is choosing JOY—joy in celebrating LGBTQ+ young people and their futures and joy in building a community who believe in our mission and the power of change.

## LGBTQ+ JOY IS PART OF OUR FOUNDATION

Trinity Haven is Indiana's first and only housing program providing safe, affirming support for LGBTQ+ young people experiencing housing instability. We walk alongside these incredible young people as they learn important life skills, achieve their goals, and move confidently into a thriving future. We are an independent 501(c)(3) offering two housing programs, our Transitional Living Program and our Host Homes Program, along with community outreach, network building, and connecting other LGBTQ+ people in need with resources.

In 2024, we provided an incredible 6,200 hours of service to 32 LGBTQ+ young people in our programs and reached an additional 3,400 people through our outreach—raising awareness, finding community, and building connections.

Trinity Haven is not a temporary solution to homelessness. We are a comprehensive intervention to disrupt the vicious cycle of homelessness for LGBTQ+ young people after familial and societal rejection.

## BE A PART OF OUR YEAR OF JOY AT TRINITY HAVEN

We are a young organization representing a wholly new approach to serving a very vulnerable population for long-

term change that will impact our community for years to come. Your investment in Trinity Haven is an investment in the future of LGBTQ+ young people in Indiana.

As part of our year of joy, there are even more opportunities for fun, affirmation, and community support of LGBTQ+ young people—in addition to our annual Homecoming Bash, we've added two new events for sponsors: our family-friendly Skate Fever night and our brand-new Drag Queen Bingo fundraiser!

## CHOOSE ALLYSHIP – BECOME A SPONSOR!

Sponsors help drive community change. At Trinity Haven, that means a lot—especially now.

Trinity Haven is Indiana's first and only housing program dedicated to serving LGBTQ+ young people who are homeless due to family rejection. Our innovative and radical approach to individualized support creates change—not just for the young people we serve, but within our larger community.

As a sponsor, your financial support helps us raise awareness and ensure that we can provide support, safety, and community to LGBTQ+ young people for years to come. But more importantly—it helps cultivate a loving network of

affirmation, support, and cheerleaders for our clients at the scariest crossroads of their young lives.

But it's not all about us—it's about you too! Our 2024 Homecoming sponsors garnered an average of 3,260 impressions on our event site and an additional 345 during the event itself.
